Realty Board Meets at New Time Now

The Torrance-Lomita Board of Realtors will meet for luncheon at 12 noon the second and fourth Wednesday of the month starting Wednesday, Oct. 26, at the Gable House, 22501 Hawthorne Blvd.

Members of the board feel that the new time is more convenient, stated Jim Dawson, president of the group.

At the Wednesday luncheon meeting, two speakers will be guests of the realty board. Walt Kemberlain and Bill Taylor will discuss "Real Estate Financing."

According to Dawson, the topics are vital to brokers and buyers. Conventional financing, Cal Vet, and FHA will be the various issues which will be discussed.

The meeting is planned from 12 noon until 1:30 p.m.

Further information may be obtained from Forrest Beyer, secretary of the board by calling DA 8-3010 or from Hank Mahler, membership chairman, FA 8-0373.

Free Polio Clinic Set This Week

Two free polio clinics will be conducted in the Torrance health district this week by the Los Angeles County Health Department, according to Dr. B. A. Kogan, district health officer.

Tuesday, Oct. 25, free polio shots will be given from 7 to 9 p.m. at the Harbor Hills housing project auditorium, 26607 S. Western Ave., Lomita.

Wednesday, Oct. 26, free polio shots will be given at St. Joseph's Catholic Church, 2314 W. Del Amo Blvd., Torrance, from 7 to 9 p.m.

A physician furnished by the County Medical Association will assist the department physicians at the clinics and polio shots will be available to everyone regardless of age at no cost whatever, as part of the County Health Department's crash program to offset the upsurge of the disease experienced throughout the county this year.

Principal speaker will be Mr. Philip A. Ray, Under Secretary, U. S. Department of Commerce.

Many executives of Moore-McCormack Lines and Todd Shipyards, as well as civic and state officials, representatives of the Maritime Administration, U. S. Department of Commerce and the Navy are expected to be on hand for the ceremony.

The first of the two vessels, the SS "Mormacape," was launched on June 6, at the Todd Los Angeles yard. Delivery to this vessel will be made to Moore-McCormack Lines in December 1960.

The "cream and sugar" that U.S. coffee drinkers add to their brew puts more than half a billion dollars in the pocketbooks of dairy farmers and sugar producers each year, it was reported recently.

The new vessel is 484 feet long and 10,450 tons.
